

TRUCK UTILITY, 1/4 TON, GS, LANDROVER

MODIFICATION SUMMARY

INTRODUCTION

1. This instruction summarises modification instructions that have been issued, including cancelled instructions on the above equipment. The EMEIs are listed in numerical sequence and recipients of subsequent instructions are to enter detail thereof.

SCOPE

2. Sufficient detail is included to enable the recipient to determine if the modification has been incorporated in the equipment. Reference to the detailed modification instruction will be necessary in order to carry out the modification.

3. The need for Ordnance stores or a complete modification kit is indicated in column (f) in the following manner:-

- NIL - Indicates no stores are required to effect modification.
 YES - Indicates stores must be demanded separately.
 KIT - Indicates a complete modification kit must be obtained.

The availability of modification kits is notified in A 006 of the relevant EMEI part.

MODIFICATION INSTRUCTIONS ISSUED

Instr No	Issue No	Priority Group	Modification	Mod Plate No	Stores Reqd	Man Hrs	Type of Wksp
			Brief Description
